TERMS & CONDITIONS

ONLINE EXAMINATION RULES AND PROTOCOL

I agree to abide by reasonable requests made by the proctor during the examination to help ensure the integrity of the examination process, including, but not limited to requests to show multiple angle views of myself and the immediate environment, or to adjust the cameras, seating position, or objects within the examination environment. The proctor may take these measures to ensure that the environment does not contain persons or items violating the rules of the examination.

I understand that failure to abide by the proctor's instructions may result in my examination session being flagged for further review or terminated and my exam results invalidated.

I understand that the video streams of my exam session will be recorded, for the purpose of investigating any irregular or suspicious behaviors and may be sent to the AAGL for review during or after the exam session. I expressly consent to such recording and understand that grading the test is one of the purposes of recording and saving it.

I understand that all test materials used in the EMIGS tests are copyrighted intellectual property of AAGL and will remain confidential.

I understand and agree that I may not reproduce, transmit, publish, disclose, post, or distribute any examination material, content, or session by any means, including memorization, recording, internet or any other method.

I understand that I have a choice of location to take the test. The candidate will select that location mindful of the fact they agree to have their surroundings video- recorded, saved and examined by the proctor.

I understand and agree that my results will be transmitted to ABOG.

I understand that once I successfully complete the EMIGS Program, my name and completion status may be shared publicly by the AAGL on AAGL's website / EMIGS pages.

I understand and agree that if I violate any part of these terms I may be subject to sanctions as determined by the EMIGS Steering Committee.

RETEST POLICY

- Candidates may be required to retake any or all portions of the Skills Exam if the exam kit materials for any specific task (L1-L5) within the exam, are deemed faulty or defective.

  Faulty equipment (not exam materials) is the responsibility of the test taker.

  If a proctor deems a task incomplete due to a possible issue with exam materials (suture, penrose drain(s) or gauze), then all consumables including the material in question, must be returned to AAGL for an internal review and determination.
- Candidates are eligible to retest until the completion of residency
- Candidates must wait 30 days following the original test date before scheduling a retest

PURCHASING A RETEST

- Candidates must login to their candidate profile and click on the Purchase Retest button
- Costs for retest are as follows:
  - Cognitive - $150
  - Skills - $225

SCHEDULING A RETEST

- After purchasing a retest, candidates will be redirected to their portal and a new exam will be available to schedule
